R7-2-604.03. ~~Alternative Educator Preparation Programs~~ Alternative Educator Preparation Program Approval Process

~~Professional Preparation Institutions that submit an alternative educator preparation program(s) for Board approval must adhere to R7-2-604.01~~

A. An organization that includes, but is not limited to, universities under the jurisdiction of the Arizona Board of Regents, community colleges in this state, private postsecondary institutions licensed by this state, school districts, charter schools, professional organizations, nonprofit organizations, private entities and regional training centers that oversee one or more educator preparation programs which wishes to offer a program for an alternative route for the certification of teachers and administrators in this State must apply to the State Board of Education on a form prescribed by the Department of Education for approval to become an approved provider of such a program. The application must include:

1. The name and location of the applicant;
2. The name of the program;
3. If the applicant is accredited, the name of the regional accrediting body and the accreditation status of the applicant;
4. If the applicant is a private postsecondary educational institution, evidence that the applicant is licensed to operate by the State Board of Private Postsecondary Education pursuant to A.R.S. § 32-3021;
5. A description of the budget of the program;
6. The areas of certification for which the applicant will offer the program;
7. A description of the program, which must include:
 - a. The way in which the elements of the program will comply with the requirements of this section and R7-2-602, R7-2-603 as applicable and A.R.S. § 15-203(A)(14)(a)(i)-(vi);

b. The application and review process for persons to enroll in the program, including a copy of all forms that will be used in the process; and

c. The supervised, school-based experiences the applicant will provide, including:

i. The name of each school and school district that will participate in the supervised, school-based experience;

ii. The length of time for which a candidate will be required to participate in the supervised, school-based experience, including any orientation that the candidate must complete;

iii. The manner by which candidates will be mentored by an effective or highly effective teacher and evaluated during the supervised, school-based experience;

iv. How the supervised, school-based experience will promote the effectiveness of teachers and administrators, as appropriate; and

v. A copy of all forms that will be used for the supervised, school-based experience process;

8. A list of all staff members for the program, the roles and responsibilities of each person and his or her credentials;

9. A statement of the estimated time it will take a candidate enrolled in the program to complete the program, which must allow for completion of the program within one year but not more than three years;

10. A description of the manner by which the applicant will evaluate the success or failure of each candidate enrolled in the program and track the progress of each such candidate, including a copy of all forms that will be used for the evaluation and tracking;

11. A description of how the applicant will evaluate the success of the program, which must include the information required for the evaluation pursuant to R7-2-604.02(K)(4).

B. Upon receipt of an application for approval as an approved provider pursuant to subsection A, the State Board of Education will appoint a review team to review the application consisting of a currently certified professional educator that is a graduate of an alternative certification program, a currently certified professional administrator, a member of the business community, two members of the Certification Advisory Committee and a representative from the Department of Education. The review team shall:

1. Examine the application;

2. Determine whether to recommend that the State Board of Education grant its approval of the application based upon the requirements of this section without any additional requirements; and

3. Submit its recommendation to the State Board of Education within 60 days of receipt of the application.

C. The State Board of Education will review the recommendation of the review team submitted pursuant to subsection B and provide to the applicant written notice of its approval or denial. The State Board of Education may grant provisional approval to an applicant pursuant to subsection D. If the State Board of Education denies an application, the applicant may correct any deficiencies identified in the notice of denial and resubmit the application for review by the State Board of Education within 60 days of the denial.

D. If the State Board of Education grants an applicant provisional approval, the applicant may offer the program for an alternative route to certification described in the application for the period prescribed by the State Board of Education. The applicant must remove all the provisions under

which the approval was issued before the expiration of the provisional approval. If the applicant removes the provisions within the prescribed time, the State Board of Education will grant nonprovisional approval to the applicant as an approved provider. Provisional approval is valid for two years after the date on which the State Board of Education granted provisional approval. If an applicant does not remove all the provisions within the prescribed time, the provisional approval is automatically revoked.

E. Except as otherwise provided in subsection D, if an applicant is approved as an approved provider pursuant to this section, the approval is valid for six years after the date of approval. To continue the approval, the qualified provider must submit an application for renewal before the expiration of the approval to the State Board of Education on a form prescribed by the Department of Education. If the application for renewal is approved by the State Board of Education, the renewal is valid for six years after the date of the approval.

F. If an approved provider intends to offer a program for an alternative route to certification for an area of certification that is different from the area of certification for which the qualified provider has been approved, the qualified provider must submit a new application pursuant to subsection A to offer a program for an alternative route to certification for that area of certification.

G. An approved provider shall provide its program completers with an institutional recommendation for issuance of the appropriate Arizona alternative path certification within 45 days. An approved provider seeking renewal of its program approval shall submit the required renewal application for review at least 90 days prior to the program expiration date.

H. Each qualified provider must submit a report once every two years which includes:

1. A description of any substantive changes in courses, seminars, modules or assessments in the Board approved educator preparation programs;

2. The name, title and original signature of the certification officer for the professional preparation institution; and

3. Relevant data on the educator preparation program, relevant staff, and candidates, which may include, but is not limited to, stakeholder surveys, completer data, and student achievement data required as a condition of continuing program approval.

I. The Department shall:

1. Present the results of the report to the State Board of Education; and

2. After the results have been presented to the State Board of Education, post the report on the Department's website.

J. Each qualified provider shall cooperate with the State Board of Education and the Department in the evaluation of the effectiveness of this section.

R7-2-604.04. Alternative Educator Preparation Program Approval Process Revocation of approval of qualified provider: Notification of intent; requirements of exit plan

~~Professional Preparation Institutions that submit an alternative educator preparation program(s) for Board approval must adhere to R7-2-604.02, except that individuals participating in or completing Board approved alternative educator preparation programs as delineated in this section may apply for a teaching intern certificate, pursuant to R7-2-614(E), and may complete their field experience and capstone experiences during the valid period of their teaching intern certificate.~~

A. The State Board of Education may revoke its approval of an approved provider if the Board determines that the program for an alternative route to certification offered by the qualified provider does not meet the applicable requirements of R7-2-604.03.

B. Before the Board revokes its approval of an approved provider, the Board will notify the qualified provider of its intent to revoke approval. The notice must include the specific reasons upon which the Board is basing its decision. Not later than 30 days after the date on which the qualified provider receives the notice, the qualified provider may submit a written response to the Board which sets forth the reasons why approval should not be revoked. The Board will review the notice and any response submitted by the qualified provider and will determine whether to:

1. Revoke the approval of the qualified provider;

2. Allow the qualified provider to continue providing the program for an alternative route to certification if certain enumerated conditions are met; or

3. Allow the continued approval of the qualified provider without conditions.

C. If the Board revokes its approval of an approved provider, the qualified provider must provide an exit plan which includes a description of how the qualified provider will assist candidates enrolled in the program for an alternative route to certification in completing another program with a different qualified provider at no cost to the candidate.

R7-2-604.05. Classroom-Based Alternative Preparation Program Approval Process

A. A school district or charter school may apply to the Board for approval as a classroom-based alternative preparation program provider. The application, on a form prescribed by the Department, shall include the following:

1. Verification that individuals to be enrolled in the program will have a bachelor's degree from an accredited institution;

2. Verification that individuals to be enrolled in the program will have a valid fingerprint card issued by the Arizona Department of Public Safety;

3. Prior to August 1, 2020, individuals enrolled in the program possess:

- a. An emergency teaching certificate; or
- b. A teaching intern certificate
- c. Individuals enrolled at a charter school classroom-based alternative

preparation program are not required to possess a certificate.

4. Data supporting the efficacy of its teacher preparation program, which may include stakeholder surveys, completer data and student achievement data. The school district or charter school may contract with a third party provider to provide the classroom-based alternative preparation program and may use that program's efficacy data to meet this requirement.

B. Upon successful completion of a classroom-based alternative preparation program, an individual may apply for an Arizona Classroom-Based Standard Teaching certificate.

R7-2-607. General Certification Provisions

A. The evaluation to determine qualification for certification shall not begin until an institutional recommendation or application for certification and official transcripts, and the appropriate fees have been received by the Department. Course descriptions, verification of employment, and other documents may also be required for the evaluation.

B. Unless otherwise specified, a standard certificate shall be issued for twelve years and may be issued with deficiencies. Applicants may receive a standard certificate with the following deficiencies of requirements to be completed within three years: research-based phonics; reading instruction including for students with dyslexia; professionalism and ethics; and U.S. and Arizona Constitutions. If an applicant fails to meet these requirements within the prescribed time period, the Department of Education or the Board shall temporarily suspend the standard certificate, but the suspension is not considered a disciplinary action and the individual shall be allowed to correct the deficiency within the remaining time of the standard certification.

~~B.~~ C. The effective date of a new certificate shall be the date the evaluation is completed by the Department. The effective date of a renewed certificate shall be the date the evaluation for renewal is completed by the Department.

~~C.~~ D. Unless otherwise specified, all certificates and provisional endorsements issued for three years or less shall expire on the date of issuance in the year of expiration. All certificates issued for more than three years shall expire on the holder's birth date in the year of expiration.

~~D.~~ — If an applicant has not met all the requirements for the certificate or endorsement at the time of evaluation, the applicant shall have a maximum of 60 days to complete those requirements and request re-evaluation.

E. Only those degrees awarded by an accredited institution shall be considered to satisfy the requirements for certification.

F. Professional preparation programs, courses, practica, and examinations required for certification shall be taken at an accredited institution or a Board-approved teacher preparation program.

G. Only those courses in which the applicant received a passing grade or credit shall be considered to satisfy the requirements for certification.

H. All certificates issued by the Board before the effective date of this Article are considered to have been issued in conformance with these rules.

I. The Board shall issue a comparable Arizona certificate, if one has been established by R7-2-608, R7-2-609, R7-2-610, R7-2-611, R7-2-612, or R7-2-613, and shall waive the requirements for passing the comparable professional knowledge, subject knowledge, and performance portions of the Arizona Teacher Proficiency Assessment, to an applicant who holds current comparable certification from the National Board for Professional Teaching Standards.

J. An applicant is not required to take any portion of the Arizona Teacher Proficiency Assessment if the applicant has at least three years of full-time teaching experience in any state, including this state, in the comparable area of certification or endorsement in which the person is applying for certification, regardless of whether the applicant was certified or uncertified. An applicant is not required to take any portion of the Arizona Administrator Proficiency Assessment if the person has been an administrator in any state, including this state, regardless of whether the applicant was certified or uncertified.

K. An applicant is exempt from the testing requirements for Arizona certificates if the applicant passed corresponding portions of a professional or subject knowledge examinations, or administrator examination adopted by a state agency in another state that are substantially similar to the Arizona Teacher Proficiency Assessments or the Arizona Administrator Proficiency Assessment.

L. An applicant is exempt from the subject knowledge portion of the Arizona Teacher Proficiency Assessment if:

1. The applicant provides verification of teaching courses relevant to a content area or subject matter for the last two consecutive years, and for a total of at least three years at one or more accredited postsecondary institutions; or

2. The applicant obtained a bachelor's, master's or doctoral degree from an accredited institution in a relevant subject area; or

3. The applicant provides verification of a minimum of five years of work experience that is relevant to a subject area of certification.

J. M. Teachers in grades six through 12 twelve whose primary assignment is in an academic subject required pursuant to R7-2-301, and R7-2-302, ~~R7-302.01 and R7-302.02~~ shall hold a

certificate, endorsement, or approved area in the assigned subject or demonstrate proficiency by passing the appropriate subject area portion of the Arizona Teacher Proficiency Assessment or as provided in subsections (J) (K) and (L). The subject areas of demonstrated proficiency shall be specified on the certificate. If a proficiency assessment is not offered in a subject area, an approved area shall consist of a minimum of 24 semester hours of courses in the subject.

K-N. If a language assessment is not offered through the Arizona Teacher Proficiency Assessment, a passing score on a nationally accredited test of a foreign language approved by the Board may demonstrate proficiency of that foreign language in lieu of the 24 semester hours of courses in that subject.

L-O. A teacher's language proficiency in a Native American language shall be verified by a person, persons, or entity designated by the appropriate tribe in lieu of the 24 semester hours of courses in that subject.

M-P. Teachers of homebound students shall hold the same certificate that is required of a classroom teacher.

N-Q. Fingerprint clearance cards shall be issued by the Arizona Department of Public Safety.

O-R. A person who surrenders their teaching certificate for any reason shall not submit an application for certification with the Board for a period of five years. A person re-applying after the five-year ban must apply under the current rules at the time of re-application.

S. A teacher with National Board Certification in the subject area(s) the applicant is seeking certification(s) is exempt from the professional knowledge and the subject knowledge portions of the Arizona Teacher Proficiency Assessments.

T. Notwithstanding any other provision, an individual with a deficiency in the Arizona and U.S. Constitutions who teaches an academic course that focuses primarily on history,

government, social studies, citizenship, law or civics shall be issued a standard certificate subject to suspension in one year if that deficiency is not removed. The suspension is not considered a disciplinary action and the individual shall be allowed to correct that deficiency within the remaining time of the standard certification.

U. As used in this article, unless otherwise provided, “work experience” means work experience identified in the submission of a resume verified by a hiring superintendent of personnel director at the public school or the Department of Education which demonstrates knowledge or skill relevant to a subject area.

R7-2-608. Early Childhood Teaching Certificates

A. ~~By July 1, 2012, either a provisional or a~~ A standard early childhood education certificate shall be required for individuals teaching in public school early childhood education programs, except as provided in R7-2-611 or in R7-2-615~~(L)~~(N). For individuals teaching in grades ~~one~~ kindergarten through three, this certificate is optional. An Early Childhood Special Education certificate as described in R7-2-611 is not required for individuals who hold the Early Childhood Teaching Certificate as described in this Section in combination with an Arizona cross-categorical mild-moderate disabilities, specialized special education, or moderate to severe disabilities ~~severe and profound~~ teaching certificate as described in R7-2-611.

B. For the purposes of this rule, public school early childhood education programs ~~are defined as~~ means education programs provided by local education agencies, including their sub-grantees and contracted providers, for children birth through age 8 for the purpose of providing academically and developmentally appropriate learning opportunities that are standards-based with defined curriculum and comprehensive in content to include all appropriate developmental and academic areas as defined by the Arizona Early Childhood Education Standards or the

~~Arizona K-12 Academic Standards approved by the Board. The Arizona Early Childhood Education Standards: Arizona Department of Education, 1535 West Jefferson Street, Phoenix, AZ 85007, were adopted by the State Board of Education in June 2003 and the Arizona K-12 Academic Standards: Arizona Department of Education, 1535 West Jefferson Street, Phoenix, AZ 85007, were adopted by the State Board of Education as follows: Arts, April 1997; Comprehensive Health/PE, April 1997; Foreign and Native Language, April 1997; Mathematics, March 2003; Reading, March 2003; Science, May 2004; Social Studies, March 2000; Technology, September 2000; Workplace Skills, March 1997; and Writing, June 2004, are incorporated by reference and are on file with the Arizona Department of Education. This incorporation by reference contains no further editions or amendments. Copies of the incorporated material are available for review at Arizona Department of Education, 1535 West Jefferson Street, Phoenix, AZ 85007 or on the Arizona Department of Education web site at www.ade.az.gov/standards. Public school early childhood education programs include, but are not limited to, half-day and full-day kindergarten programs, Early 2 Childhood Block Grant programs pursuant to A.R.S. § 15-1251, Family Literacy Programs for preschool children pursuant to A.R.S. § 15-191.01, and public school administered early childhood education programs funded in whole or part with federal funds, such as the Head Start or Even Start programs, provided nothing in these rules conflicts with the terms of the federal grant. Extended day child care programs provided by local educational agencies are not considered early childhood education programs for purposes of this rule unless the program meets the definition of a public school early childhood education program set forth above.~~

R7-2-619. Renewal Requirements

A. A certificate may be renewed within six months of its expiration date except that an individual holding multiple valid certificates may renew all certificates at one time in order to align the expiration dates of each certificate. Certificates being aligned shall be renewed at the

same time as the certificate that will expire first. Individuals seeking to align certificates shall meet the renewal requirements for each certificate being aligned. Certificates that are renewed or aligned pursuant to this Section shall be valid for ~~eight~~ twelve years.

B. A certificate may be renewed within one year after it expires. Individuals whose certificates have been expired for more than one year shall reapply for certification under the requirements in effect at the time of reapplication. Nothing in this Section shall imply that an individual may be employed in a position that requires certification after the expiration of the relevant certificate.

C. Renewal of certificates requires the completion of continuing education credits after the most recent issuance or renewal of the certificate, except that continuing education credits completed during the valid term of the certificate that expires first meets the requirement of certificates being aligned. Fifteen hours of continuing education credits are required each year of the certificate term to renew a certificate, which may be accumulated in various increments per year prior to renewal. One hour of continuing education credit shall be equivalent to one clock hour of a professional development activity. Continuing education credits must relate to Arizona academic or professional educator standards or apply toward the attainment of an additional Arizona certificate, endorsement, or approved area, and may include training regarding suicide awareness and prevention; child abuse, human trafficking of children and the sexual abuse of children, including warning signs that a child may be a victim of child abuse, human trafficking, or sexual abuses; screening, intervention, accommodation, use of technology and advocacy for students with reading impairments, including dyslexia; or other training programs explicitly permitted by state law. Professional development that may be counted toward the required hours of continuing education credit shall consist of any of the following activities:

1. Courses related to education or a subject area taught in Arizona schools, taken from an accredited institution. Each semester hour of courses shall be equivalent to 15 clock hours of professional development. The required documentation shall be an official transcript.
2. Professional activities such as conferences and workshops related to the profession of teaching or the field of public education. A maximum of 30 clock hours per year may be earned by attendance at professional conferences and workshops. The required documentation shall be a conference agenda and a statement or certificate from the sponsoring organization noting the clock hours earned.
3. District-sponsored or school-sponsored in-services or activities which are specifically designed for professional development. The required documentation shall be written verification from the sponsoring district or school stating the dates of participation and the number of clock hours earned.
4. Internships in business settings. The internship shall be based on an agreement between a business and a district or school with the stated objective of aligning teaching curriculum with workplace skills. A maximum of 80 clock hours may be earned through business internships. The required documentation shall be written verification by the sponsoring business and district or school stating the dates of participation and number of clock hours earned.
5. Educational research. The research shall be sponsored by a research facility or an accredited institution or funded by a grant. The required documentation shall be the published report of the research or verification by the sponsoring agency; and a statement of the dates of participation and the number of clock hours earned.
6. Serving in a leadership role of a professional organization that provides training, activities, or projects related to the profession of teaching or the field of public education. A maximum of 30

clock hours per year may be earned by serving in a leadership role of a professional organization. The required documentation shall be written verification by the governing body of the professional organization of the dates of service and clock hours earned.

7. Serving on a visitation team for a school accreditation agency. A maximum of 60 clock hours per year may be earned by serving on a visitation team. The required documentation shall be written verification from the accreditation agency of the dates of service and clock hours earned.

8. Completion of the process for certification by the National Board of Professional Teaching Standards. The required documentation shall be written verification from the National Board of Professional Teaching Standards and a statement from the employing district or school verifying the dates and the clock hours earned during the certification process.

D. An individual holding a Standard teaching certificate, a standard administrative certificate, or other professional certificate may renew the certificate for ~~eight~~ twelve years upon completion of fifteen hours of continuing education credits each year of the certificate term which may be accumulated in various increments per year prior to renewal or with a verified current professional license as a counselor, social worker, psychologist or speech pathologist.

E. An individual who is employed by a school or school district at the time of renewal shall submit the required documentation of professional development to the district superintendent, director of personnel, or other designated administrator for verification. A certified individual who is not employed by a school or school district at the time of renewal shall submit the required documentation of professional development to a county school superintendent, the dean of a college of education, or the Department for verification. The school or district official, county school superintendent, or the dean of a college of education shall verify on forms

provided by the Department the number of hours of professional development completed by the individual during the valid period of the certificate being renewed.

F. The Department shall issue a Standard teaching certificate of the same type.

G. Notwithstanding any other provision in this section, an individual with a valid fingerprint clearance card who has had a certificate or certificates expire for at least two years but not more than ten years may renew the expired certificate(s) and any endorsement(s) or approved area(s) if the individual had ten or more years of verified full-time experience in this state in the area the individual is seeking renewed certification and is in good standing. Standard certificate(s) issued to that individual pursuant to this subsection shall be identical to the expired certificate(s).
