Dear Superintendent:

As a follow up to the original letter regarding the AOI application process:

Please note that if your program has already been approved by the Board, and you are not making changes, you **do not** need to submit a new application. A list of approved programs can be found at azsbe.az.gov. Follow the Resources tab to Arizona Online Instruction. If you are approved and are adding, or changing, grade levels, you must submit an updated application.

If your district is looking to add an online instruction component, and your district does not have an approved program, please visit the Board's website to gain access to the application and materials needed for approval. Current application material can be found at:

<https://azsbe.az.gov/resources/arizona-online-instruction>

If you have any questions, please contact the Board office at (602) 542-5057.

Sincerely,

A handwritten signature in blue ink, appearing to be "KS", representing Dr. Karol Schmidt.
